### 2011 Tour Finisher: Deborah Styke Congrats!

- The Glacial Grooves on the north side of Kelleys Island are the largest easily accessible such grooves in the world. They were scoured into solid limestone bedrock about 18,000 years ago by the great ice sheet that covered part of North America.
- Marietta was Ohio's first permanent settlement. Founded in 1788 by General Rufus Putnam and named in honor of Marie Antoinette, then queen of France.
- Ohio's state flag is a pennant design. It is the only state flag of that design in the United States.
- Ohio University was founded in 1804 at Athens and is recognized as the first university in Ohio and in the Northwest Territory.
